# 社會資本：持續與發展

The Fourth CIIF Annual Forum cum Project Expo

**Social Capital –  
Sustainability & Development**

2.11.2006

**Ms. Anna Ko**

**Chairman**

**HWL Volunteer Team**

- Why volunteering?

Workshop –

Mentoring Strategies

# Hutchison Whampoa Limited

- a group of diverse companies operating around the globe
- renowned for its entrepreneurial yet practical approach to business
- deeply aware of the impact our businesses have on society and the world around us.

# Corporate Social Responsibility

## The Group's notion

- providing products and services to make life better for everyone
- benefiting shareholders and
- engaging in a meaningful dialogue with other stakeholders and the community to understand the impact of our business as well as the expectations of society.

# The HWL Volunteer Team

- Established in 2003
- Actively promoted and participated in different community services to the needy.
- Set out the theme of "3Hs" in 2005:  
**Harmony, Health & Happiness**
- HWL volunteers have dedicated over 2,300 hours to deliver various services, helping disseminate and promote the messages of **harmony, health and happiness** in the community.

# Why volunteering?

- We broaden our visions while being navigators for others
- We see ourselves better through others' eyes
- $1 + 1 = 3, 4, 5$  or more ...
