

Month in 2023	Major Strategic Development Work implemented
January	Launched the “One-day House Captain” campaign, inviting four public figures to promote the message of community participation in media and social media platforms.
February	Displayed exhibition panels at “Hong Kong Social Service Expo 2023” organised by the Hong Kong Council of Social Service to introduce the work of the CIIF and concept of social capital.
April	Conducted a briefing session for CIIF’s 36 <sup>th</sup> batch of applications to share the concept and practice of social capital to interested parties.
	Published the 38 <sup>th</sup> issue of CIIF newsletter to recap on the CIIF’s 20 <sup>th</sup> anniversary activities.
July	Social Capital Institute organised a talk on “Time Bank” to explore its relationship with social capital development.
September	Organised the “Cross-sectoral Collaboration Meeting”, inviting funded project teams and awardees of “Social Capital Builder Awards 2022” to exchange views and explore collaboration opportunities.
October	Published the 39 <sup>th</sup> issue of CIIF newsletter titled “Supporting Caregivers on their Journey with Neighbourhood Networks” to bring out the importance of community network for caregivers.
	Produced stickers for WhatsApp, posters and tote bags to promote the message of “Be a House Captain, a Caring Community Begins in the Neighbourhood”.
December	Conducted a briefing session and launched a new video covering the concept of social capital and application details to parties interested in CIIF’s 37 <sup>th</sup> batch of applications.
On-going	Shared the concept of social capital, the work of the CIIF and their experiences in building social capital on different media and social media channels.
	Contributed articles on local free newspaper “am730” every alternate Wednesday, featuring the stories of CIIF-funded projects.
	Invited CIIF Committee Members to visit CIIF-funded project teams and non-governmental organisations to facilitate experience exchange.
