社會資本是經濟得以繁榮、社會得以進步的重要元素。除了可團結各界，建構互助互補的社羣網絡外，社會資本也推動社區參與，培養社區凝聚力與守望相助的精神。

過去十四年，社區投資共享基金致力向社會傳揚這互信互助的精神，帶動各界協力為香港建立社會資本。不論背景、階級、年齡、種族、職業，只要願意投入參與，人人都可以和我們攜手共建更廣更闊的互助網絡，令社區能力得以持續提升。不同性質及界別的團體、機構可以加強彼此合作，運用各自的專長，發揮協同效應，善用社會資本讓更多有需要的人受惠。

社區投資共享基金在二零一二年推出「社會資本動力獎」，每兩年頒獎一次，嘉許對發展社會資本有傑出貢獻的個人和機構。看到歷屆得獎者耕耘有成，惠澤社羣，令人欣慰。我相信，這個獎項定能激發更多人參與促進社會資本，共謀新猷良策，拓展切合社區需要的跨界協作。只要齊心，我們定可建設更富人情味的香港，讓市民共享成果。

Social capital is essential for the economic prosperity and sustainable development of society. It helps hold people and institutions together to form a network of reciprocity; it also encourages community participation to promote social cohesion and the spirit of mutual assistance.

Over the past 14 years, the Community Investment and Inclusion Fund (CIIF) has endeavoured to build up social capital for Hong Kong by engaging the community as a whole to foster this spirit. Regardless of background, social status, age, race and occupation, each and every one of us can join in to broaden the support network and help strengthen our social capacity. Organisations and corporations of different nature and from different sectors can step up collaborative efforts and leverage one another's expertise to achieve synergy, thereby optimising the use of social capital to help those in need.

First launched in 2012, the Social Capital Builder Awards are presented biennially by the CIIF to give recognition to individuals and organisations with outstanding performance in social capital building. It is very heartening to witness and share the achievements they have made. I believe it will inspire more people from different quarters of the city to join the league and contribute fresh ideas of cross-sectoral collaboration to suit the needs of the community. Together we can make Hong Kong a more caring society for the benefit of all.

局長獻辭

Message from the Secretary for Labour and Welfare

張建宗先生, GBS, JP

Mr. Matthew Cheung Kin-Chung, GBS, JP

勞工及福利局局長

Secretary for Labour and Welfare

社區投資共享基金（基金）於2002年成立，透過撥款資助多元化的社會資本發展計劃，鼓勵市民守望相助；同時推動不同界別發揮凹凸互補精神，推動跨界別的協作平台，建立社會資本。

基金多年來一直努力將社會資本主流化，鼓勵各界積極參與。近年，基金計劃與不同界別的合作越見緊密，發展出多個創新的協作模式，涵蓋醫、福、社、商、官、房等多個界別，樹立了良好的典範。過去十四年來，基金共批出4億3,200萬元，資助了323個計劃，分布全港十八區，動員超過65萬人次及約8,700個合作夥伴參與計劃，成功建立2,025個互助網絡，成績令人鼓舞。

從今年社會資本動力獎得獎名單更可見，社會資本不止由政府推動，社區裏各大小企業和機構，亦正在推行不少具有社會資本元素的計劃，與基金鼓勵「由社區自發、從下而上」推動社會資本的目標如出一轍，在此，我衷心感謝各界有心人士的參與和貢獻。

社會資本雖不是有形的資本，卻可以親身感受得到，因為社會資本豐厚的社區，人情味特別濃厚。要實現這樣的社會，需要市民齊心響應。我期望社會各界繼續發揮互信互助的精神，為社會帶來更多正能量。

Since the establishment of the Community Investment and Inclusion Fund (CIIF) in 2002, CIIF, through funding the implementation of diversified social capital development projects in the community, has fostered a sense of mutual help and support among members of the public. It also promoted the spirit of reciprocity across various sectors as well as the building of a cross-sectoral collaboration platform for the development of social capital.

CIIF is always committed to mainstreaming the concept of social capital in the community and encourages various sectors to actively participate in building social capital. In recent years, CIIF project teams have strengthened their collaboration and co-operation with various sectors and set a shining example for social capital development by creating a number of innovative collaboration models covering the medical sector, welfare organisations, community groups, the commercial sector, the Government, housing estates etc. Over the past 14 years, CIIF has disbursed \$432 million for a total of 323 projects spanning all 18 districts of Hong Kong, mobilising more than 650,000 participants and some 8,700 collaborative partners to participate in the projects and successfully building 2,025 mutual help networks.

The list of recipients of the Social Capital Builders (SCB) Awards this year highlights the fact that social capital is not promoted by the Government alone. In fact, many local enterprises and organisations, big or small, are also implementing numerous projects with social capital elements. These projects have pursued goals that correspond to the objectives of CIIF, namely, supporting local or territory-wide community projects initiated by the community itself and encouraging bottom-up solutions that seek to promote social capital development. My heartfelt gratitude goes to all who have participated in and contributed to the building of social capital in Hong Kong.

Although social capital is an intangible form of asset, it can be felt and experienced by many as communities rich in social capital are more caring. To build such a society, we need the concerted effort of the public to facilitate further social capital development. I hope that all sectors in the community will keep on displaying the spirit of mutual trust and mutual help which can serve as a source of positive energy for our society.

主席獻辭

Message from the Chairman

林正財醫生, BBS, JP

Dr. Lam Ching-choi, BBS, JP

社區投資共享基金委員會主席

Chairman of the Community Investment
and Inclusion Fund Committee

社區投資共享基金轉眼已成立了十四年，在此先感謝歷屆基金委員、各資助計劃團隊及不同界別的協作夥伴一直與我們同心協力，齊心為香港建立豐厚的社會資本。

基金舉辦的社會資本動力獎，不經不覺亦已來到第三屆。今年社會資本動力標誌獎的參選資格，首度擴大至推行非基金資助計劃的企業和機構，以表揚更多對香港社會資本發展有貢獻的單位。今屆獲得標誌獎的企業及機構更超過三百家，比去年增長一倍，代表著跨界別協作的力量迅速壯大，愈來愈多來自不同界別的新力軍，加入建立社會資本的行列。今天頒發的各個卓越計劃及夥伴獎項，更是一眾計劃中的典範，充分彰顯了基金一直致力推動跨界別合作的工作甚具成效。

社會資本並不是能靠個人的力量去推動，還有賴社會各界的努力。我期望大家能夠繼續全力支持基金，推動社會資本發展，讓更多人加入成為我們的一份子。

It has been fourteen years since the launch of the Community Investment and Inclusion Fund (CIIF). First of all, I would like to express my sincere appreciation of the tremendous efforts devoted by members of previous CIIF Committees, all project teams and collaborators from various sectors of the community to the development and accumulation of social capital in Hong Kong.

This year sees presentation of the third Social Capital Builders (SCB) Awards organised by CIIF. To give recognition to the large number of parties that have contributed to social capital development in Hong Kong, the eligibility criteria for SCB Logo Awards has been extended for the first time to include all non CIIF funded local enterprises and organisations. Over three hundred enterprises and organisations will receive the SCB Logo Awards this year, which is a two-fold jump as compared with the figure last year. This indicates that the energy generated from cross-sectoral collaboration is growing at a much faster pace. More and more newcomers from various sectors have become builders of social capital. In today's Award Presentation Ceremony, recipients of the Outstanding Social Capital Project Awards and Outstanding Social Capital Partnership Awards are no doubt the role models for all categories of projects. This well demonstrates the profound effectiveness of cross-sectoral collaboration that CIIF always endeavours to promote.

The promotion of social capital not only relies on the strength of individuals but also on the efforts made by all sectors. I look forward to having your continuous support for CIIF in promoting social capital development and seeing a growing number of participants in our projects.
