

**"Dancing Life-Youth Empowerment Project" - Tung Wah Group of Hospitals  
Tuen Mun Integrated Services Centre**

Project Summary

With funding support by CIIF, Tung Wah Group of Hospitals Tuen Mun Integrated Services Centre launches the "Dancing Life-Youth Empowerment Project". This is a 3-year project targets at 150 disadvantaged youth aged 15-24 in Tuen Mun district and networks 760 people from different strata to cultivate their growth. We use dancing as a means to attract the youth involvement in order to enhance their self-competence and self confidence as well as build up positive life direction.
