

## **Youth Jump.Com---Aberdeen Kai-fong Welfare Association Social Service**

### Project Summary

This project will promote the partnership and bridge different sectors from the community to organize a series of mentoring and group programs for the youngsters. Then the youngsters and their mentors will jointly organize a wide range of activities and programs for people in the community to unleash the youngsters' potentials as well as to develop social trust between the youngsters and people in the community. Ultimately, the community networks across the strata are expected to be weaved.
