Social Capital Builder (SCB) Awards Presentation Ceremony

2018.12.18

# 政務司司長獻辭 Message from the Chief Secretary for Administration

社會資本有助建構互信互助、團結一致和充滿人情味的社會。 建立社會資本不能單靠政府推動,個人、企業和機構都擔當重 要角色。

過去十六年,社區投資共享基金一直致力提倡社會資本的理念,推動各界人士積極參與,冀望大家不分背景、階級、年齡、種族和職業,攜手共建跨世代、跨專業、跨界別的協作平台和支援網絡。不同性質及界別的企業和機構各展所長,發揮協同效應,為香港創造強大的社會資本動力,以迎接機遇和面對挑戰。

兩年一度的「社會資本動力獎」旨在嘉許對發展社會資本有傑出貢獻的個人、企業和機構,並藉此樹立良好典範,供有志參與建立社會資本的人士參考,繼而共謀良策,為香港帶來更多創新而又切合社 區需要的協作模式。我相信,在各界共同努力下,社會資本動力定能生生不息,促進社會凝聚力,從 而增加市民對所屬社區的歸屬感,讓香港社會關愛共融,持續發展。

**張建宗先生, 大紫荊勳賢, GBS, JP** 政務司司長

Social capital helps create a caring society of mutual trust and solidarity. The building of social capital depends not only on the Government, but also on the important parts played by individuals, enterprises and organisations.

Over the past sixteen years, the Community Investment and Inclusion Fund has endeavoured to promote the concept of social capital by encouraging the active participation of all quarters of society regardless of background, social status, age, race and occupation in creating cross-generational, cross-professional and cross-sectoral collaborative platforms and support networks. Organisations and enterprises of different nature and sectors have leveraged one another's expertise to achieve synergy, generating substantial momentum of social capital for Hong Kong to meet the opportunities and challenges ahead.

The Social Capital Builder Awards are presented biennially to give recognition to individuals, enterprises and organisations for their outstanding contribution to the development of social capital. The awardees have set good examples for those who share similar aspirations in social capital building, and by putting their heads together, help create more innovative collaborative models catering to the needs of the community. I believe that, with the concerted effort of all sectors, the social capital momentum will continue to grow and help promote social cohesion in Hong Kong, which will in turn foster people's sense of belonging to their own community as well as contribute to the development of a caring, inclusive and sustainable society.

# Message from Secretary for Labour and Welfare

社區投資共享基金於2002年成立,透過撥款資助不同的社會資本發展計劃,推動市民及不同界別發揮互信互助精神,齊心建立跨界別協作平台及社會支援網絡,以建立守望相助和社區凝聚力等的社會資本。

基金鼓勵推動「由社區自發、從下而上」的社會資本發展模式。我很高興見到不同界別,包括社、福、醫、商、學、房、官等,積極參與建立社會資本的工作,發揮凹凸互補的協同效應。今年「社會資本動力獎」的得獎名單包括了更多得獎者,再次證明社會資本的理念和成效,已逐漸得到社會各界認同。

基金由16年前首輪資助17個計劃開始,至今已資助了375個計劃,分布全港18區,累積資助金額約5億6,200萬元,動員超過73萬人次及9200個合作夥伴參與計劃,成功建立約2100個互助網絡,植根社區,讓社會資本在香港開花結果。我期望「社會資本動力獎」能繼續激發更多人士加入我們的行列,大家共謀新猷良策,發展更多切合社區需要的跨界別協作模式。

羅致光博士, GBS, JP 勞工及福利局局長

Since the establishment of the Community Investment and Inclusion Fund (CIIF) in 2002, it has funded diversified social capital development projects in the community. Through these projects, the CIIF has fostered the spirit of mutual help and trust among members of the public and across different sectors. With collective efforts, cross-sectoral collaborative platforms and support networks have been built, furthering the development of social capital such as reciprocal aid and social cohesion.

The CIIF supports projects initiated by the community itself and encourages bottom-up solutions which seek to promote social capital building. I am delighted to witness the active participation of various parties, including community groups as well as the welfare, medical, business, education and housing sectors in concert with the Government, in building social capital and achieving to bring about the reciprocity and synergy effects. The increase in the number of winners of the Social Capital Builder Awards this year once again proves that the concept and effectiveness of social capital have progressively gained wide public recognition.

Since the initial funding of 17 projects 16 years ago, the CIIF has so far funded 375 projects spanning all 18 districts, accumulating approximately \$562 million in funding amount, mobilising more than 730 000 participants and some 9 200 collaborative partners. About 2 100 mutual help networks have successfully been built to take root in local communities, and they are now flourishing as social capital in Hong Kong. I hope that the Social Capital Builder Awards will keep on inspiring more people to join us, and by pooling strengths together, we can generate fresh ideas of cross-sectoral collaborative models to meet the needs of the community.

# 社區投資共享基金委員會主席獻辭

# Message from the Chairman of the Community Investment and Inclusion Fund Committee

社區投資共享基金兩年一度的盛事 - 「社會資本動力獎」頒獎典禮今天又再舉行,在此我首先感謝歷屆基金委員、摯友、資助計劃團隊及不同界別的協作夥伴,多年來不遺餘力地與我們一起推動社會資本的發展,為香港累積了豐厚的社會資本。

「社會資本動力獎」今年已踏入第四屆,獲獎的計劃團隊及夥伴持續增加,值得借鏡的典範亦愈來愈多。社會資本動力標誌獎的得主超過550個,比2016年增加近七成;各個卓越計劃及夥伴獎項,表現更尤為突出,當中社會資本卓越計劃獎得獎計劃

由去屆的三個增至六個,而卓越夥伴獎的獲獎單位亦涵蓋商界、教育界、宗教界及鄉事委員會,反映各界有心人對社會資本理念的認同愈見增長,當中跨界別協作的力量亦愈見壯大。

社會資本並不能單靠一小撮人的力量去推動,而是有賴社會上每一個人,以及每個界別的參與。我 期望大家能夠繼續全力支持基金,推動社會資本的發展,讓更多人加入成為我們的一份子。

> 林正財醫生, BBS, JP 社區投資共享基金委員會主席

I am very pleased to welcome you all to the Social Capital Builder (SCB) Awards Presentation Ceremony, an event of recognition held biennially by the Community Investment and Inclusion Fund (CIIF). First of all, I would like to express my sincere gratitude to all previous members of the CIIF Committee, SC.Net members, project teams and collaborators from various sectors of the community, for devoting untiring efforts over the years to the development and accumulation of social capital in Hong Kong.

This year marks the fourth edition of the SCB Awards, and we are proud to see an increasing number of project teams and partners receiving awards and recognition with the emergence of more exemplary cases. Over 550 enterprises and organisations are presented with the SCB Logo Awards this year, which is nearly a growth of 70% as compared with the number in 2016. Moreover, results of the Outstanding Social Capital Project Awards and Outstanding Social Capital Partnership Awards are particularly remarkable. Six projects have won the former, a two-fold jump compared with three winning projects last time, while recipients of the latter cover a wide spectrum of the community including the business, education and religious sectors as well as the rural committees. This indicates that people with aspirations from various sectors of the community have increasingly recognised the concept of social capital, and the power generated from cross-sectoral collaboration is ever-growing.

The promotion of social capital cannot rely solely on the strength of a small group of people. It also relies on the participation of every member and all sectors of our society. I look forward to having your continuous support for the CIIF in promoting social capital development and seeing a growing number of participants joining our projects.

計劃承接前一期的「愛·鄰·社」護助同行計劃,深化系統式培訓及實習,栽培社區人士及護老者成為「護老紅娘」,於葵芳、安蔭及長亨社區建立互助平台,並透過提升資訊溝通,促進社區參與,建立跨界別支援網絡。兩期計劃發展出兩個獨立註冊組織及一個護老者義工網絡,於計劃完結後持續支援護老者,延續社會資本的發展。

Following the previous "'Love Your Neighbour and Community': Carers Companion Project", this project strengthened systematic training and practice for community members and elderly carers in order to train them up to become "care agents". It succeeded in building mutual-help platforms in the Kwai Fong, On Yam and Cheung Hang communities, and through improving information exchange and facilitating social participation, it also created cross-sectoral support networks. The two phases of projects have since developed two independently registered bodies and an elderly carers' network, all of which have been supporting elderly carers after the conclusion of the project, thereby furthering the development of social capital.

計劃藉著舉辦不同類型的活動,包括墟市攤位、社區導賞等,促進金齡人士(50歲或以上人士)及新來港家庭的溝通及 共融,達到凹凸互補。計劃亦積極建立跨界別網絡,先後與38間不同的協作夥伴合作,亦鼓勵參加者一起服務社群,由 受助者變為助人者。參加者現已成立了「新耆同樂會」自行策劃服務,有助計劃持續發展。

Through organising activities such as market stalls and community guided tours, this project fostered communication and integration between the golden-aged (people aged 50 or above) and the new arrival families so as to achieve the aim of promoting reciprocity. The project also strived to build cross-sectoral networks by collaborating with 38 different partners, at the same time encouraging participants to give back to the community by transforming themselves from recipients to helpers. Participants have since established a self-programming service group, enabling the project to sustain its development.

計劃透過連繫社區義工及組織,動員不同階層人士強化社區對長者的支援。計劃亦成功建立樓長制社區互助網絡,開設維修班,培訓區內的退休男士定期為邨內居民檢查及維修輪椅,並利用協作企業之專長,為長者提供專業的保健資訊。計劃成立了五個長者自務小組,在邨內定期舉辦活動,以使地區支援網絡持續運作。

Through connecting volunteers and organisations in the community, this project mobilised people of different social strata to strengthen community support for the elderly. The project also successfully established a community mutual help network underpinned by the House Captain system. Through organising repair classes, it provided training for retired men in the community so that they can carry out regular inspections and maintenance of wheelchairs used by residents in the estate. Making good use of the expertise of its corporate partners, the project has passed on professional healthcare tips to the elderly. The project also excelled by forming five elderly-led self-programming service groups, which have organised regular activities in the estate and contributed to the continued operation of the local support network.

The project had been running for six years since the implementation of its first phase. It provided services for carers, chronic patients and their families in Tai Po District through organising community roving exhibitions, at the same time extending mutual help networks to hospitals, private homes for the elderly and the rural areas. The project continuously engaged different partners, including the medical, business and social welfare sectors, as well as churches and community groups, etc. It also established a House Captain system and a Mutual Help Committee, benefiting more people in need by building on the experience accumulated during its first phase and getting referrals from local organisations.

This project utilised the school facilities by opening the school campus as a gathering point for the elderly and teenagers for promoting cross-generational integration. During the project period, students and teachers demonstrated the use of new technologies to the elderly, while the elderly volunteers, in return, acted as student mentors and led students in volunteer visits. Students also designed health products suitable for the elderly by applying innovative technologies. The project has facilitated collaboration among the school, church, commercial partner and community group who build up different mutual help networks with the elderly and teenagers. The volunteer team has already started operating by itself.

This project successfully recruited the difficult-to-reach men in Yau Tsim Mong District through adopting the outreaching approach. By organising seminars, interest groups, monthly gatherings, family activites and volunteer services, etc., the project strengthened men's connection with the community, enabling them to contribute to the community with their skill sets. They were given the opportunities to assist in various theatres' backstage operations and props production by applying their skills in electrics and carpentry. The project has thus combined the traditional skills of men with theatrical art in an innovative way. Apart from enabling the participants to broaden their horizon and increase their confidence, the project has also established cross-sectoral collaborative relationships.
